I have go to **the bank** today. / Is there **a bank** near here?
4. Ta nói: **the sky, the sea, the ground, the country, the environment**.

5. Ta nói: **go to sea/ be at sea** (không dùng 'the') khi muốn diễn đạt là 'go/ be on a voyage' – đi biển. Ví dụ: He works on ships. He is at sea most of the time.

6. Ta không dùng 'the' với : **prison, hospital, university, school, college, church** khi ta nghĩ về chức năng của chúng. So sánh các ví dụ sau để hiểu rõ:
